## LEXINGTON DESIGN ADVISORY COMMITTEE

Minutes of Meeting of June 8, 2022

A meeting of the Design Advisory Committee (DAC) was held remotely via ZOOM on June 8, 2022 at 7:30 pm.

**Members Present:** Tim Lee, Sudir Murthy, Christian Delahuerta, Ian Adamson, Caroline Fitzgerald

**Members Absent:** Steve Vincent, Chris Johns, Dr. Elsie Xu

**Approvals:** none

**The Committee reviewed and acted on the following item(s):**

1. 363 Massachusetts Avenue – sign application

The Committee reviewed the proposed sign and had the following comments and suggestions:

Generally, the Committee felt the sign was fine as is but did have a few suggestions on how it might be improved.

- a. Increase font sizes
- b. Switch logo location on sign
- c. Consider changing location of sign

2. 50 Hill Street – Lexington Golf Club Clubhouse

The Committee reviewed the proposed sign and had the following comments and suggestions:

The overall design is a big improvement, the focus was on improving the Hill Street façade as it feels neglected compared to the rest of the building.

a. Hill Street façade –

1. Improve appearance, it looks too much like the back of the building, make it more welcoming to the neighborhood and passerby.

2. Enclose the mechanical corral with a solid wall

3. Add sun screen element to the two corner windows, use embellishments used on other facades

4. Improve volume and three dimensionality

b. Remove mechanical stair

c. A landscape plan is being developed

**Other Business:** None

Meeting was adjourned

**Respectfully submitted** Timothy Lee

**Cc:** Doug Lucente, Select Board Liaison and Michael Schanbacher, Planning Board Liaison
