

BOARD OF SELECTMEN POLICY

STANDARD ORNAMENTAL SIGNALS

Date Approved by BOS:

Signature of Chair:

January 26, 2009

Norman P. Cohen

I. Purpose

All future signal installations within business districts and other specific locations approved by the Board of Selectmen shall be ornamental. This has been the Town standard for signal installations and includes all necessary equipment such as the pole, mast arm, and signal heads.

II. Background

This has been the town standard since the signal installation at the intersection of Massachusetts Avenue and Waltham Street in 2003.

III. References

Policy adopted by the Board of Selectmen on January 16, 2009.
